Headteachers : Mrs L Rourke and Mrs A Grimes

Dear Parents/Carers,

We are delighted to inform you that Elveden C of E Primary Academy has been awarded £115,000 by the Garfield Weston Trust to build a Multi-Use Games Area on the green next to the school!

This will be an amazing facility for the children to use, developing their sporting skills and allowing us to host tournaments with other schools. This is a project that the school have been working on for a number of years and to have now secured the funding, is a huge step for the school.

Community groups will also be able to hire this outside of school hours as we want as many people to benefit as possible. Please speak to the school if you know of a group/club that would be interested.

Staff and Governors will now be working very hard to make this a reality and we will keep you all informed as to the timescale for completion when we have the details.

Thank you for your continued support.

Mrs Rourke and Mrs Grimes.
