A Celebration of Elveden's Amazing Achievements

This half termly magazine celebrates Elveden's amazing achievements. Whether it's sports related or an award for an outside school activity, we want to celebrate it! At Elveden we want to recognize the talents and hard work of all our children, so please make sure if your child accomplishes something outside of their school day, that you fill out the achievement form at reception. This way, your child and their amazing success will have a special feature in our next magazine.

Elveden's Excellent After School Clubs!

Elveden has been a buzz of extra curricular activity this term as our fantastic clubs started. The children have really enjoyed the fabulous opportunities they have had this term and have clearly learnt some great skills as a result!

In Cookery Club, the Year fives made some delicious treats; from pizzas to chocolate mug cakes. They also learnt some valuable advice on food hygiene and cooking safety. Story telling has been wonderful and it had been lovely to watch the children share books that they love together.

Baby Ballet has been extremely exciting this term. We have been learning about our posture and those good toes, naughty toes! Football has kicked off with lots of new drills and skills and Art club has been a creative blast!

Remember if your child want to join a club you must act fast as places go quickly!
