BANK PAYMENTS

Dear Parents

We have introduced a new banking system which allows you to pay money directly through your bank to our account.

This will make paying for any school trips, dinners, uniform and in school activities easier for you and give you an electronic record for payments you have made.

Our details are as follows:

Account number: 86903960

Sort number: 30-94-55

When making a payment please include your child's name and what you are paying for.

Many Thanks
