About our school...

Elveden Church of England Primary Academy was built in 1894 as part of the Elveden Estate. It is part of the voluntary aided diocese of St Edmundsbury.

Children start at Elveden in the year in which they turn 5 (Reception) and leave at the age of 11 (Year 6).

The school has a hall used for collective worship, assemblies and indoor P.E. Outside, we have the use of a hard playground as well as a grassed area with climbing frames and fitness equipment. We have a 'Wellbeing and Wonder' area in our environmental garden which can be accessed from the KS1 and LKS2 classrooms in the main school. In the playground, we have our spiritual classroom which is used by children throughout the day for quiet reflection and group work. When dry, the children have the use of the village green for sports and playtimes as well as the local cricket ground. We are fortunate enough to have our own Multi-Use Games Area, which is used by KS2 children for games lessons. There is additional play equipment facilities outside of the lunch hall which children can use during their lunch hour and EYFS and lower key stage 2 have regular 'Forest School' sessions. As a Church of England school, we regularly visit the Elveden church of St. Andrew and St. Patrick, to gather together with our families e.g. Harvest Festival, Christingle and Mothers' Day. We also visit with the children every half term for Collective worship.

Elveden C. of E. Academy work in partnership with Forest Academy in Brandon and both Headteachers work collaboratively across both schools.

Our school day begins at 8.40am and ends at 3.15pm (EYFS/KS1)/3.20pm (KS2). Break time is between 10.30am and 10.45am, and lunchtime is between 12.00pm and 1.00pm.

Elveden School vision

Mission and Ethos Statement

At Elveden C of E Primary Academy, we aim to serve our community by providing an education of the highest quality within a framework of Christian belief and values. We encourage an understanding of the meaning and significance of faith, and promote Christian values through the experiences we offer to all of our children.

Values

We provide a safe, happy and inspiring learning environment based on our core values of hope, trust, respect and forgiveness. We encourage children to be confident and enthusiastic learners and enable them to take risks. Within a climate of high expectation and challenge, all children are guided, supported and inspired to fulfil their true potential, emotionally, physically, spiritually and intellectually, both during their time at school and in their life ahead.

Aims

In order to achieve our Mission and ethos statement we aim to ensure our children will also be:

- Ready to learn: Children have a positive, confident attitude to learning. They are both physically and emotionally ready to learn.

For the Spirit God gave us does not make us timid, but gives us power, love and self-discipline. 2 Timothy 1:7

- Resourceful: Children show initiative, asks well thought out questions and are prepared to use a variety of strategies to learn.

Little children, let us not love in word or talk but in deed and in truth. 1 John 3:18

- Reflective: Children are curious, able and willing to learn from their mistakes and can describe their progress

For the righteous falls seven times and rises again, but the wicked stumble in times of calamity. Proverbs 24:16

- Resilient: Children are prepared to persevere and stay involved in their learning, even when the process is challenging.

I can do all things through him who strengthens me. Philippians 4:13

- Reciprocal: Children are prepared to help each other and work as a team.

For the body is not one member but many. 1 Corinthians 12:14

Equal Opportunities Statement

Elveden C. of E. positively encourages equality of opportunity with regard to gender, race, disability and class. It opposes any form of discrimination and encourages all pupils to view themselves and each other as unique and special people. The school's organization, curriculum, staffing, pastoral and social responsibilities seek to reflect this statement.

Religious Education and Collective Worship

In this school, collective worship and religious education are in accordance with the Church of England faith. Parents may, if they wish, withdraw their children from the arrangements for worship and religious education, and it would be helpful if such requests were made to the Headteacher in writing. As an Anglican Christian school, two thirds of our RE lessons are Christianity based. We also learn about the other faiths and our curriculum focuses on the spiritual, moral, social and cultural development of the individual.

The Curriculum

At Elveden C of E Primary Academy, we carefully plan the curriculum to ensure that it is personal to our school and fully meets the requirements of the new National Curriculum (2014). We also ensure that it provides the following:

- Breadth - Children are introduced to a wide range of knowledge, understanding and skills.
- Balance - Each part is given sufficient time.
- Thematic – Topics are planned to enable children to make connections between subjects.
- Relevance - Subjects are taught so that they relate to children's own experiences.
- Differentiation - What is taught is matched to children's abilities.

All children are taught the subjects of the National Curriculum: English, Mathematics, Religious Education, Science, Computing, History, Geography, Art, DT, PE, Music, French and PSHE/RSHE. Further information about our broad and balanced curriculum intent, implementation and impact, can be found on our website.

Children are taught in a variety of groups including ability groups and mixed ability groups.

The Academy emphasises the importance of developing children's skills in literacy and numeracy therefore more curriculum time is given to these subjects. Many subjects are taught through a topic based approach so that links between subjects can be developed.

Policy documents are written by the school and explain in detail various curriculum areas. These can be read by parents/carers and many are available on our website. If you would like one of our policies/protocols, please ask at the school office.

Sports

The school teaches PE, dance and swimming in line with the national curriculum. Children in Key Stage 2 go swimming for a term each year, throughout key stage 2. All children will have the opportunity to participate in gymnastics, dance, team games and other sports activities with children from other local schools. A variety of sports clubs also run after school during the year.

The Arts

Your child will experience a range of provisions. Each child is taught Art, Dance and Music as part of the curriculum, and sometimes will be involved in visits to galleries, working with musicians and taking part in concerts and productions. We are particularly proud of the opportunities provided to work with a range of professional artists.

Forest Schools

Our Forest School sessions provide a safe environment where all children can acquire new skills in a woodland environment: they get to take risks, build resilience, make autonomous choices about their own learning and initiate free play with those around them. Our sessions help our children to appreciate and respect their natural environment, whilst building a bank of valuable outdoor learning experiences where each one of them can truly shine. In addition to this, our Forest School sessions are inclusive as they encourage all learning styles and uncover 'multiple intelligences' in our children, which will allow them to develop holistically alongside each other.

Relationships, Sex and Health Education (RSHE)

After careful consideration, the Governors of the school have decided that the school should offer a programme of sex education. It will be appropriate to the pupils' age and experience and will be presented within a moral, family-oriented Christian framework. Sex education is addressed in our science, religious education and personal/social education programmes. At Elveden, we use the Jigsaw scheme of learning which fully covers the RSHE requirements set out by the government. We aim to help children understand themselves and others, to make friendships and relationships successfully; to appreciate and respect individuals, regardless of race, colour, creed or gender, and to understand that humans have different beliefs, values and customs. We believe that at the centre of relationships is the development of self-esteem and wellbeing. By exploring these ideas, we hope children will be helped to form meaningful relationships and to make valued judgements in adult life.

Special Educational Needs

We are an inclusive school and our aim is to ensure that all pupils succeed. Drawing from the ethos of the Christian values for life perseverance, respect and compassion, all children are encouraged to play an active part in all aspects of school life and 'Let their Light Shine'. We recognize that some children need more support than others to help them achieve. Some difficulties are short term and some may be long term. In either case, the school will want to work closely with parents and carers to monitor progress and meet the child's needs. Support provided may be by the class teacher planning work at different levels or by a teaching assistant working with the children in a small group or individually. The school has a special educational needs policy and we keep up to date records of special educational needs in school. The school works with many outside agencies/professionals and our SENCo onsite is Mrs Maguire. Please see our school website for further details of what our school offers and our involvement with the Suffolk SEN hub.

Pupils with Disabilities

The school is accessible for children with disabilities. The school building is on one level and wheelchair accessible. Staff have been trained to use the EVAC chair on site and there is an induction loop in the school hall and 1 classroom. If a child has particular needs, we take all necessary steps to meet these and ensure disabled pupils have full access to the curriculum. We have an equality plan, which includes provision for children with disabilities. The accessibility plan is regularly renewed and updated.

Safeguarding

Our school maintains an ethos where our pupils feel secure, are encouraged to talk and are listened to. Children at our school will be able to talk freely to any member of staff, or regular visitor to our school, if they are worried or concerned about something. All staff and regular visitors will either, through training or induction, know how to recognise a disclosure from a child and will know how to manage this. At all times, we will work in partnership and endeavour to establish effective working relationships with parents, carers and colleagues from other agencies. We have a legal responsibility to report suspected abuse of whatever kind and also signs that could be indicators of abuse. This includes keeping children safe online. We take this responsibility seriously even though it can unfortunately cause bad feelings on occasions. Our responsibility is to the children. Our safe guarding and welfare officer is also available to speak with families and direct support through our 'Early help offer' which can be found on our website. Please see our safeguarding and Online-Safety policies on our website, including our safeguarding policy for children.

Parental Partnership

We want to work in partnership with all parents and carers so that your child is happy and successful in school. We ask all parents to sign a Home/School agreement when their child starts at Elveden C. of E. Primary Academy. Parents are welcome to chat with class teachers informally at the end of the school day or to make appointments if necessary. In addition, regular meetings are held with parents to discuss their child's progress and keep them informed about the curriculum. If at any time you are worried or concerned about your child's progress, please see the class teacher in the first instance and then either the senior leadership team or the Headteachers, if the problem is unresolved.

We also have a successful 'Parents and Friends association' (PFA) and always welcome new members. If you are interested in supporting the school in this way, please speak to the office. This is an opportunity to raise money for the school, discuss ways to move the school forward and include parent feedback.

Behaviour at Elveden Academy

We expect all children to behave sensibly and to respect adults, each other and the school environment. We keep our rules to a minimum and they are made only to ensure the well-being and safety of all children in our care. Parents are kept informed of problems if they do arise and are asked to cooperate fully in rectifying any difficulties. Our Golden Rules are discussed regularly with the children and linked to Christian values e.g. forgiveness and reconciliation.

Our Golden Rules

- Listen to others politely.
- Use kind words.
- Be kind and gentle at all times.
- Respect resources, the property of others and the environment.
- Come to school ready to learn and try your best.

We encourage children to behave well in lots of ways, including:

- Through prayer
- Praise from teachers, assistants and other children
- Special stickers – linked to our themes
- Certificates for spellings, Lexia, Essential Reads
- BLP certificates
- Dojos
- Raffle tickets
- Praise from the Headteachers
- Celebrating positive behaviour and success in our celebration assemblies
- Taking work home to share with their families
- Lunchtime awards
- Citizenship awards

Children are children and sometimes forget what we expect of them. We remind them in various ways, depending on how serious their actions have been and all staff follow our behaviour flowchart (More details can be found in the full behaviour policy):

The Look

- A visual reminder from adults to address inappropriate behaviour.

Verbal Warning

- Children will be spoken to about their behaviour and reminded of the Golden Rules which have to be followed.

Loss of break/lunch time minutes.

- EYFS – children to immediately lose minutes from their continuous provision sessions, monitored by a time-out timer.
- KS1/2 – children to lose minutes off their next available break/lunch/afternoon playtime. Nb. Minutes will differ according to age of child and severity of incident.

Meeting with Parents

- Meeting to discuss concerns and next steps.

Report card

- Child issued with report card until behaviour improves, (maximum period of 2 weeks). In some circumstances, a part time timetable may be considered with parents.

Withdrawal of privileges

- This may include clubs, representing the school in tournaments, school visits or Y6 residential.

For serious mis-behaviour e.g. fighting, hurting another pupil, being persistently disruptive, the class teacher will talk to you and this may result in a fixed period exclusion. All incidents are logged on CPOMs which is our internal behavior system. In the rare cases where such a step is necessary we follow The Department for Education exclusion procedures.

If you have worries about your child in school, please come in and talk to the class teacher or make an appointment to see either Headteacher. Don't wait for the worry to become a major concern!

Health and Welfare

We have access to the local School Nurse who advises schools, parents and pupils on health issues. She is the prime link between the school and other health services. School Nurses are responsible for screening children at school entry, when they make sure that children's vision, hearing, height and weight are satisfactory. Parents are asked to complete a questionnaire about their child's health and can request an appointment to see the School Nurse if there are health problems. The School Nurse may ask to see parents if she feels there are health issues she needs to clarify or assess. Parents should take children for regular dental checks. Please notify the school if your child contracts an infectious disease or head lice.

Staffing and Organisation

We are very lucky to have quite small class sizes and a highly talented team of teachers, assistants, administrators and support staff. A full staffing list can be found on our school website. As the number of children in each year group varies, our class organisation may change from year to year. We currently have a Reception class and mixed aged classes from Y1 to Y6. Teachers plan very carefully to ensure that all children's needs are met. You will be informed in the Summer term report, of the class organisation for the coming school year.

Uniform

We believe that school uniform looks smart, wears well and contributes to a sense of belonging to the school. Please name all clothing so that, if found, we can reunite it with the child. Our uniform consists of:

EYFS/Key Stage 1 children: Navy blue school sweatshirt, grey or black trousers or skirt, white polo t shirt and sensible flat closed toe black shoes (no trainers-unless P.E days, sandals or boots). Sweatshirts may be purchased online via our supplier, Brigade. Grey/Black trousers and skirts are available from school uniform stockists, and most chain stores.

Key stage 2 children: Navy blue knitted jumper/cardigan, formal white shirt with a collar and a tie. Grey/Black trousers or skirt and sensible flat closed toe black shoes (no trainers-unless P.E. days, sandals or boots).

Jumpers/Cardigans and ties are available from the online stockist, Brigade. Grey/Black trousers and skirts are available from school uniform stockists and most chain stores.

In wet and wintery weather, children can come to school in wellington boots and change into their school shoes, we have storage for their boots during the school day.

Children are required to come to school in their P.E. uniform on P.E. days to save time getting changed and to maximize the time children are active. They are expected to wear a plain white t-shirt and black shorts or jogging bottoms.

Earrings must be removed for all physical education in accordance with the recommendations of the Department for Education and Skills. If children wear earrings they must be studs only and must be covered on P.E. days if they cannot be removed.

All Elveden uniform can be ordered online, details available from the school office or under the parent tab on the website.

For swimming lessons, children will require a one-piece swimsuit and towel in a waterproof bag. No hair gel, talcum powder or money is permitted. Please make sure your child has a warm coat on swimming days in the colder months. Swimming is part of the curriculum and therefore, if children are fit enough to come to school, they must also swim. If, however, there is a medical reason to the contrary, a letter from your doctor should be sent to school. Please can we ask that children come to school with natural hair colour only, no shaved patterns in hair or nail varnish/make-up.

Timekeeping and attendance

At Elveden C. of E. Primary Academy we want all children to learn the value of good time keeping. The children have full days of activities. If they are late, they miss part of the curriculum and this is recorded as an unauthorised absence. This time is never made up and persistent lateness will affect your child's progress in school. Help your child to learn the useful habit of arriving on time. This will help them in school and later on in life. We need your child to come to school every day unless they are ill. If they are too ill to come to school, please telephone us or email the office. If we do not have any explanation of a child's absence, we mark this as unauthorised, which is known as truancy and can result in a penalty notice (see attendance policy on the website for full details). Please also let us know if your child has a medical or dental appointment

Collecting children

Please collect your child at the end of the day from the teacher in the playground. Always contact us if you are unavoidably delayed or if someone else will be collecting your child. Children who are not collected on time may become frightened or upset. We can only allow your child to go with someone else if we have authorisation from you.

Severe Weather/emergency closure

We will use our school facebook page, Pupil Asset and our school website which will be updated to show if the school is closed. Suffolk county council also lists any school closures on their website but please be aware that this is not always updated straight away.

School Meals

School dinners cost £2.35. All children in YR, Y1 and Y2 are entitled to a free hot school meal. For KS2, please pay for school dinners via Pupil Asset (This will be set up when your child starts school). This is also the method we use for trips etc. We aim to be a cashless school except for donations and exceptional circumstances. Please see the school administrator if you wish to apply for free school meals as this will also ensure your child is supported with subsidised school trips, uniform, clubs, activities etc. If you prefer to provide a packed lunch please ensure that the meal does not contain sweets, nuts or chocolate as we are a healthy school. If possible drinks should be fresh juice, water or milk. Fresh fruit or vegetables are available free of charge each day at playtime for EYFS/Key Stage 1. Key stage 2 children are welcome to bring fruit from home for snack time but again, we ask that this is fruit only. Let us know if for any reason your child cannot eat certain foods. We are a nut free school so any food containing nuts is strictly forbidden. We thank you for your consideration in this. We have a snack shack every day where children can buy snacks for 50p each.

Charging Policy

During their time in school, your child will be involved in a range of outside activities during the school day. These may involve visits to a museum or theatre. In such circumstances, we will inform you first and seek your permission, we may also ask for a contribution from you to support us in paying for the visit in order for this to go ahead. In doing so, we will not seek to disqualify anyone from taking part.

Walking visits

Children are sometimes taken on walking visits within Elveden as part of the curriculum. We ask that all parents sign the allocated permission slip when their child starts at the school which will cover them for the whole time that they attend Elveden Academy.

Photography

There may be times when children are photographed or videoed as part of normal school activities. Any parent who does not wish their child to be photographed in this way is asked to make their wishes known to the school office in writing.

Admissions

All admissions information can be found on the school website under the Key information tab.

Complaints

We hope that you will never need to complain but if you do, please follow the link on our website to the complaints procedure, speaking to the class teacher in the first instance. A full copy of the complaints procedure is available in school and on our website.

Finally

Thank you for reading this booklet. All the staff at Elveden C. of E. Primary Academy hopes that your child will enjoy and benefit from their time at school. We look forward to working in close cooperation with you to make your child's time at Elveden Academy happy and successful.
