

Fox Class

Foxes have had a great start to the school year. We have been studying the topic 'All about me'. We've looked at the human skeleton as part of our science lessons. We used chalk to draw our skeleton on the playground. We also used vegetables to create vegetable skeletons. In our geography sessions, we have been looking at where we live. We have been very lucky to have Miss Tandi come and work with us for our dance lessons. We have been learning a dance to 'This is me' from the Greatest Showman. In our RE lessons, we have been learning about the Nativity. We completed a story trail to hear the different parts of the story. We have been making our own nativity scenes which will be on display at the church in the lead up to Christmas. In our English lessons, we have been very busy using Pie Corbett's Talk for Writing to retell and innovate Funnybones and Elmer. We love using actions and storymapping the stories to help us remember them.

Next half term our topic is Light and Dark and we will be continuing to look at the Nativity during our RE lessons.
