

PE and Sports Funding

2018-19

Elveden C of E Primary Academy

The government is providing additional funding of £150 million per annum again this year to improve provision of physical education (PE) and sport in primary schools. This funding has been provided jointly by the Departments for Education, Health and Culture, Media and Sport. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but schools have been given the freedom to choose how they do this. A list of possible uses has been suggested.

Elveden C of E Primary Academy has decided to use the money to improve the quality of PE and sport they offer by:

- Engaging all pupils in regular physical activity- the Chief Medical Officer guidelines recommend that all children should engage in at least 60 minutes of physical activity a day, 30 minutes of which should be in school.
- Raising the profile of PE and sport across the school as a tool for whole-school improvement.
- Increasing the confidence, knowledge and skills of all staff teaching PE and Sport.
- Providing a broader experience of a range of sports and activities offered to all children.
- Increase participation in competitive sport.
