*The suggested membership of this group is the Chairman of Governors, the Vice-Chairman, the Headteacher and the Chairman of each of the Committees. These key governors would have a more strategic and co-ordinating role and can add greatly to the effectiveness of the work of the Governing Body as a whole. The terms of reference give an indication of this broader perspective. **If the Governing Body decides not to have this committee it is suggested that these terms of reference are of such importance they should be transferred to the Governing Body.***

Responsible Officer

Terms of Reference:

The role of the Responsible Officer (RO) is to provide the governing body (GB) with an on-going independent oversight of the academy's financial affairs. Most public sector organisations, and a growing number of private sector organisations, are required to have an internal audit service but due to the relatively small size of academies this requirement is thought to be too onerous.

In the absence of an internal audit service it falls to the RO to provide the GB with independent assurance that:

- the financial responsibilities of the GB are being properly discharged;
- resources are managed in an efficient, economical and effective manner;
- sound systems of internal financial control are being maintained and
- financial considerations are fully taken into account in reaching decisions.
