Headteachers : Mrs L Rourke and Mrs A Grimes

Dear Parents and Carers,

We are writing to let you know that thanks to the fundraising and your generosity over the past 18 months, we have raised over £6,000! This is an amazing effort and we would like to thank you, the children, the staff, and the local community who have also helped by supporting different events in different ways.

Originally, we had planned to install the second-hand equipment which was generously donated to the school, however, after much consideration, we have decided to purchase new equipment, supplied by the well-known English company, Wicksteed Leisure. Using a combination of school funds, PE funding and the money raised through fundraising, we have been able to order new equipment with appropriate ground safety-surfacing and, this will then have the usual guarantees.

It is anticipated that the new equipment will be installed just before the half term in February and should be completely finished within two weeks which will mean the children will have spring and summer to enjoy it.

Yours sincerely,
Mrs Rourke and Mrs Grimes.
