

Badger Class

Badgers have learnt great things this term about the Victorians. We have learnt about the British Empire and what Queen Victoria has done for us.

We have also studied school punishments and how children were treated in the Victorian times. We then had a class debate on caning and were all able to give our opinions on the topic. After that, we then wrote brilliant persuasive letters to our Headteacher Mrs Rourke, to state our reasons why we thought caning should be abolished.

In RE, we have learnt about Christianity and the Holy Trinity. We then used apples and twixs to represent the Father, the Son and the Holy Spirit, it was great learning this way.
